Examination Schedule for 2027

Please note that both registration dates and exam dates in this schedule are subject to change. If they change, a new schedule will be posted. Please refer to the Advisories section of our website for updates.

Issued: September 18, 2026.
Updated: November 2, 2026.

All NCA exams have a time limitation of three (3) hours.

NCA exams are scheduled during specified times either in the morning or in the afternoon, depending on the date and the exam subject.

* Morning exams will start between 07:00 and 10:00 hrs (Eastern Time)
* Afternoon exams will start between 14:00 and 17:00 hrs (Eastern Time)
* Midday exams will start between 11:00 and 14:00 hrs (Eastern Time)

We will make best efforts to assign a start time within the timeframe you specify when you register for the exam. Your exam start time will be posted in the NCA Portal once it has been assigned.

If you wish to request a change in the date or start time **within the same exam session**, you may do so by filling out the MonitorEDU form **here**. If you wish to take your exam at a future date **not within the same session**, please cancel it in your NCA Portal. Simply schedule for the next session once registration opens.

Cancellations will be accepted up to the day before your exam. We charge an administrative fee of $100.00 CDN, plus taxes, per each exam you cancel. If you fail to cancel your NCA exam before midnight (ET) the day before the exam, you will lose your exam fees.

Change requests are subject to availability. However, please note that all start times will be within the set time blocks, and time slots will not be available outside of those blocks (e.g., if an exam is scheduled only for the morning, you will not be given an afternoon start time. You will be required to change dates if you need to write in the afternoon).

If you would like to write your exams in French, please send an email to exam@flsc.ca, indicating that you wish to do so. We will make a record of your language preference and we will prepare bilingual exams for you moving forward.

Accommodations:

Please submit your request for accommodations with the appropriate forms completed and all other necessary documentation in support of your request no later than the dates posted in the following schedule.

While we will make every effort to review requests for accommodations in a timely manner, the NCA is unable to make decisions from incomplete requests. Submitting your documentation by the stated deadline does not assure that the NCA will accommodate your request if the information provided is insufficient or incomplete.
